

DesignInc

DesignInc is an Australia-wide practice, dedicated to creating people-centric environments from the large scale to the small. Its award-winning portfolio includes hospitals and laboratories, sports centres, schools, workplaces and multi-residential communities.

Graduate of Architecture

DesignInc Adelaide is looking for talented, passionate, design professionals to join our team. You will have the opportunity to work in multiple sectors such as Education, Health, Defence, Community and Recreation, both locally and nationally. You will experience the challenge and joy of creatively solving complex design tasks.

We are always evolving, and continually looking for ways to improve what we do. As part of this process, we are expanding and relocating our studio in Hindmarsh Square in late 2019. We are pursuing new ways of working together and collaborating with our project partners. You can be part of this evolution.

DesignInc is an association of independent architectural practices with offices in Sydney, Melbourne, Perth and Adelaide. We are a diverse practice of 40 professionals in Adelaide and over 170 nationally. Collectively, our national group of studios deliver a variety of projects across Australia. We strive to improve people's lives through the environments we create. We embrace our clients and partners in collaboration - design is a journey to be shared.

In this role you will:

- Play an active role in the Design stages of projects including producing 3D models and presentation material
- Assist in the production of construction documentation in Revit and AutoCAD
- Build your professional relationships by working within collaborative project teams
- Learn the skills required to enable you to sit for your professional Registration exam

Key competencies

- Excellent written and verbal communication skills
- Recent Degree/Master qualifications in Architecture
- Demonstrated technical skills using Revit, AutoCAD, Photoshop, Sketchup and Lumion
- Ability to work and interact with a wider project team
- Ability to use your initiative, but also to follow instructions

What are we offering?

- The opportunity to be part of a local team that has a national focus
- A role that will allow you to work on projects that vary in scale, from large to small
- A structured professional development process that includes mentoring, internal and external training
- The opportunity to experience a collaborative studio culture
- Opportunities for professional growth within the practice.

DesignInc is committed to providing Equal Employment Opportunities and invites applications from people of all nationalities, genders, and cultural backgrounds, including Aboriginal and Torres Strait Islanders.

Salary package and general terms will be compliant with the FairWork Act and relevant Awards. Terms are also negotiable in accordance with experience and market rates.

How to apply?
