

DesignInc

DesignInc is an Australia-wide practice, dedicated to creating people-centric environments from the large scale to the small. Its award-winning portfolio includes hospitals and laboratories, sport centres, schools, workplaces and multi-residential communities.

Interior Designer

DesignInc Adelaide is looking for a talented, passionate, design professional to join our team. The successful applicant will have the opportunity to work across multiple sectors including Workplace, Education, Health, Defence, Community and Recreation, both locally and nationally. You will experience the challenge and joy of creatively solving complex design problems.

We are always evolving, and continually looking for ways to improve. As part of this process, we are designing a new studio in Hindmarsh Square which we will move into in late 2019. We are pursuing new ways of working together and collaborating with our project partners. You can be part of this evolution.

DesignInc is an association of independent architectural practices with offices in Sydney, Melbourne, Perth and Adelaide. We are a diverse practice of 40 professionals in Adelaide and over 190 nationally. Collectively, our national group of studios deliver a variety of projects across Australia. We strive to improve people's lives through the environments we create. We embrace our clients and partners in collaboration – we believe design is a journey to be shared.

In this role you will:

- Produce creative design outcomes that respond to our client's objectives and brief
- Run projects from initial conception to completion with mentoring from senior staff
- Work collaboratively in larger project teams
- Assist in the professional development of staff via mentoring graduate team members
- Build and maintain client relationships via proactive communication skills
- Build your professional relationships and leadership skills working within multidisciplinary project teams
- Produce detailed Furniture, Finishes and Fixtures Schedules via continual contact with suppliers and industry peers.

Key competencies:

- Excellent written and verbal communication skills
- Degree qualifications in Interior Architecture or Interior Design
- At least 5 years' experience in an Interior Design role
- Competent Revit skills are required along with a willingness to be upskilled in advanced Revit tasks
- Preferably other technical skills using AutoCAD, Photoshop, SketchUp, Lumion or Enscape
- Proactively use your initiative and self-manage time and tasks when working autonomously
- An ability to work and interact within a wider project team
- Excellent organisation skills with the ability to manage competing project priorities.

What are we offering?

- The opportunity to be part of a local Adelaide studio that has a national focus
- A role that will allow you to work on projects that vary in scale and complexity across multiple sectors
- A structured, professional development process that includes mentoring, internal and external training
- The opportunity to experience a supportive and collaborative studio culture
- An ability to focus on developing tailored design solutions
- Opportunities for professional growth and contribution within the broader practice.

DesignInc is committed to providing Equal Employment Opportunities and invites applications from people of all nationalities, genders, and cultural backgrounds, including Aboriginal and Torres Strait Islanders.

Salary package and general terms will be compliant with the FairWork Act and relevant Awards. Terms are also negotiable in accordance with experience and market rates.

How to apply?

If you are interested in joining us, please submit your application with a cover letter, CV and a short portfolio, via email to: reception@adelaide.designinc.com.au.

Please direct queries to 08 8223 2888.

Applicants must hold Australian citizenship.
